  - Hodag 4-Wheelers ATV-UTV Safety Initiative

    Discussion: Check our newsletter for more info on the safety initiative. Our club would like to generate messages to make our sport safer. It would be nice if our entire club could be certified in safety. Safety instruction takes about 3 hours, cost is $10 in person or $35 online. Tuesday, December 15 will be an instruction class via zoom 6-9 PM.

    Suggestion was made for the Club to reimburse kids from 12-17 years upon their completion of the safety training.
  - Nominations for VP, Secretary, Trail Boss, Seargent-at-Arms and Director

    Discussion: Nominations were suggested by written ballet, those noted will be contacted to see if they are willing to serve the club.
  - Club's 25-year anniversary

    Discussion: Should we do something in the 4th of July parade? Have a contest about our trails with drawings occasionally? Purchase hats and/or t-shirts? Reg will do a slideshow but needs pictures and info to include.
- **Reports of Committees**
  - Trails

    Discussion: The culvert was installed November 9th. Some work on the trails needs to be done for the snowmobile club. Tractor will be taken to Rew Motors for it's annual service before winter. Logging will go on again this winter.
