### Oneida County ATV Club Monthly Meeting, October 9, 2018

Meeting called to order by President Paul Hagen at 6:00 pm.

Treasurer and secretaries report were accepted as read. We then welcomed some new members to the club.

Presidents Report: It was mentioned and looks as though the official name change should be approved by the end of this month. Paul also mentioned a Lakes Association received a grant to educate ATV/UTV riders on transporting invasive species. Program to start in the near future.

Trail Report: John mentioned a couple of bad washouts were repaired in the last couple of weeks. Otherwise trails are in good shape. Be aware there is still active logging on the west loop between Stefanze Rd. and Cinder Rd.

Club president was notified by the mayor of Rhinelander that the city council is looking into opening routes for ATV/UTV into the city.

Discussion was made and approved for next years event dates (look at coming events on page 2). Also need volunteers for Salvation Army Bell Ringing, Date to be announced.

Meeting adjourned 6:40 pm.
