Hodag 4-Wheelers ATV-UTV Club Monthly Meeting, December 11, 2018

Short meeting called to order by President, Paul Hagen, at 5:00 pm, at Woodpecker Bar and Grill. Secretaries report was dispensed with. Treasurers' report was read and accepted.

Trail Report was short as trails are closed as of December 3rd, 8 am. John also mentioned he has signs and post already ordered, for trail marking in the Spring. (at printing of this newsletter signs and post have just arrived)

Paul Hagen attended the city meeting on opening routes into city of Rhinelander, discussion was very positive from all residents and business owners attending.

Good News, after a 13 year try, Langlade County has approval for a recreational bridge over the Wolf River which will connect the East West part of the state.

Crescent Fire Department, a associate member, would like to arrange a time with the club to go over the trails so they are familiar with possible ways to access the trails in case of emergency. To be organized in early Spring.

Approval was given to order 30 patches of the new logo to be for sale at \$10 each at meetings or special events, shipping add \$2 (these will be available by January's meeting.

Club participated in Rhinelander's Christmas Parade Dec. 1st. Truck and enclosed trailer, with new logo on it, and 4 machines. Weather was wonderful and snowing all during the parade. Fun time.

Meeting adjourned 5:40 pm and all enjoyed a good meal afterwards.
