MAY 2020

Hello Hodag 4-Wheelers ATV-UTV Club Members –

With the COVID-19 restrictions, we have not been able to conduct any meetings since January, however we were able to have our first workday on the trails. Saturday, May 9th turned out to be a great day for working on the trails. On May 11th trails were inspected and all went well, so Oneida County trails will open May 15th at 5pm.

No meetings until further notice. Please check the website often for when the next meeting will be held. Possible discussion at the next meeting; the club buying its own enclosed trailer (as John's enclosed trailer is getting old and needs to be replaced).

There have been some definite cancelations for the summer that affect the club. The Oneida County Fair, Senior Rides, Meet and Greet the Club cookout, and Ridiculous Day have been cancelled. Check the web page, newsletter, or Facebook for other events.

Club member, Amy Ciaccio, has volunteered to take over the newsletter. The emailed newsletter will be coming from hodag4wheelers@gmail.com, instead of acornacres, so please watch for it. A big THANKS to Roylene Knudsen for her past duties with the newsletter.

Trail Coordinator, John Knudsen, mentioned there is work on the trail that needs to be done. A workday is scheduled for May 30th, meet at Bowman Rd parking lot at 9:30 am. Bring a shovel, work gloves, and something to eat and drink.

Old business: Opening of County highways - Oneida County Highway Dept has opened Hwy K, C, P, and G into the city. Be aware not all city streets are open to ATV/UTV usage. Lincoln St. and N. Stevens St. from the BP gas station north are closed.
