JULY 2020

Hello Hodag 4-Wheelers ATV-UTV Club Members –

Meeting called to order by President Paul Hagen 6:00 pm, July 14th. Reading of minutes from last meeting dispensed with Treasurers report accepted as read.

Presidents report: Jake from forestry department mentioned that we are running low on Enterprise trail maps. Was suggested to put on hold on ordering any as more forestry roads may be opened. The Rhinelander Chamber requested some maps of the trail systems and the request was taken care of. Paul also suggested that the club join the Chamber again which should benefit the club. Motion was made and seconded to go ahead and join.

Trail Report: Over all the trail is in good shape. The trail is usually inspected once a week, with that being said the whole south section of the trail has been grated to bring the banks back into the trail with the help of the Pelcho Mudd Nuttz tractor and back blade. Also, the two overlage breaker rock areas have been removed and replaced with washed rock. Also, John mentioned that the new map boxes have been placed at 5 businesses. Work date on shelter area to be announced in the near future.

- CLUB RIDE WILL BE ON SATURDAY, AUG 8. WILL TRAILER TO THE LITTLE RICE AREA. Another ride is also scheduled for October 10th.
- Cinder Road trail closed west of the Enterprise West Gate Loop to Hwy 17 until further notice.
- The Club Meet and Greet on June 20th was a good success even though it rained all day. Had 25 to 30 machines stop by.
- New Business: County forestry may be opening up 3 roads in the Enterprise area which will need to be signed if approved, Pelcho Mudd Nuttz mentioned they would share half the cost of the signs.
- Club is entertaining the idea of purchasing a new enclosed trailer 7 ft.X14 ft.
- Need volunteers to cover the downtown business to ask them to be associate sponsors.
- August 22nd is the NATH benefit ride. Cost is \$20 per driver and \$10 per passenger. See Page 5 for more information.

Meeting adjourned 7:05 pm.
