OCTOBER 2020

Hello Hodag 4-Wheelers ATV-UTV Club Members –

Meeting called to order at 6:00 pm by President Paul Hagen.

September minutes were read by John and accepted by those present.

Treasurer's report was read by Diane and accepted by those present.

President's report: Saturdays benefit ride for the club went very well, had a good turnout between the two groups had 19 machines participate. Our group put on 85 miles and at the end of the day had a good chicken dinner at the Woodpecker Bar and Grill.

Trail Report: Trail Coordinator mentioned the trails, even after the rains, are in good shape.

Was mentioned the snowmobile club are working on certain areas of the trail to make it easier for the tractor and drag to maneuver. Jake from the forestry department mentioned he is going to apply for a grant to do some different work on the breaker rock areas.

New Business: Tom Ciaccio, from Alternative Lighting and club member, said the new enclosed trailer is ready to be delivered this weekend. The all new lighting package he so graciously donated will be complete.

Club President said since joining the Chamber of Commerce we have adds available for the radio that we will use in the Spring to promote safe riding.

John K. mentioned work on the new trail map is going well but still looking for volunteers to help knock doors to get sponsors to put on map. Also the club is looking for a new meeting place.

From the area club's council meeting was mentioned that the sheriff's department recreation officer stopped by and mentioned that citations are double over last year so we the clubs need to inform riders about the laws. If not paid attention to, people will get tickets, especially if riding on numbered highways.

Meeting adjourned at 7:00 pm.
