Presidents Report: The county's decision to open county highway K, C, P, G, and W was put on hold because of the holidays. Further discussion and vote to be done in January.

Trail Report: Was mentioned that all post and signs ordered for Spring trail work have arrived. Also, the NATH ride for next summer will be August 22nd. More information will be presented in next months meeting. That info will then be published in April's newsletter.

Trail Ambassadors training this month had 200 people apply from all over the state. Because of the number there will also be a training session in February.

Raffle Committee still needs volunteers to help organize what is to be raffled and when it is to take place. Looking for 3 to 5 members to form committee.

Price County has invited riders to an event called Quadtoberfest. For more information go to quadtoberfest.net for details.

Meeting adjourned at 6:40 pm.
