JUNE 2020

Hello Hodag 4-Wheelers ATV-UTV Club Members –

Meet and Greet the Club Cookout on Saturday, June 20<sup>th</sup> has resumed. Location is at the Enterprise Trail Shelter, 10am to 2pm, free brats, hotdogs, soda and water. Please bring a dish to pass if you are willing to assist the club with this event. Precautions will be taken during these times due to Covid-19 concerns. See announcement on the Upcoming Events Calendar on page 2 of this newsletter.

The Pizza Haven has opened for business, we will post the dates on our website and Facebook when we decide that we can resume our meetings. One topic on the agenda at the next meeting will be a discussion to purchase an enclosed trailer.

Trail Report – June 7<sup>th</sup> was a trail work-day and with the assistance of the Pel-Cho Mudd Nutzz and their tractor, we were able to knock down and drag the corner banks on the south trail of the East Loop.

Please be safe when riding the trails – In Langlade County there was a serious accident that involved a couple of UTV’s of which one apparently was speeding, lost control and hit another head on. Victims of one UTV had to be cut free of the unit. Please be safe and encourage other riders to slow down.

**Q:** Have you ever wondered why riders coming toward you are holding up their hands with fingers showing a number?

**A:** The number of fingers equals the number of riders in their group behind them.

*So the next time you see oncoming traffic, give them a heads up!*
