AUGUST 2020

Hello Hodag 4-Wheelers ATV-UTV Club Members –

Meeting called to order at 6:00 pm by President Paul Hagen.

July's minutes were read by John Knudsen and accepted by those present.

Treasurer's report was read by Diane DeGrand and accepted by those present.

President's Report:

The club has ordered a new enclosed trailer, 7' X14', and will take 4 to 6 weeks to receive it. Also, the clubs request to have more forestry roads opened will be discussed on August 13th at which time the forestry department will inform us if it is approved.

Vice President's Report:

More information was given for the ride for the homeless which will be on August 22nd and registration at 9:00 am with start time at 10 am from Fishers Bar on Hwy 17 S.

Trail Report:

Over the last month with the heavy rains there were some serious washouts which were taken care of by members of the club and with the help of Paul's tractor. Also, during the month there were downed trees taken off the trail. The black muck at the shelter area was taken out and replaced with breaker rock for a base and recycled black top placed over that. Area looks much better. The Club ride on August 8th to the Little Rice area had 8 machines and around 14 riders. It was a cloudy, dust free, very enjoyable 90-mile ride.

New Business:

Club voted to join the chamber of Commerce. Club is checking on getting a city map and area that will have sponsors and show routes into the city and trails. Still checking on the process and cost of getting this done.

Meeting adjourned at 7:00 pm.

MONTHLY EVENTS

MEETING

2nd Tuesday at 6 p.m.
Pizza Haven-Lake Julia Rd

FAQs About ATV & UTV Laws

Any person, operator or passenger under the age of 18 MUST wear a helmet that is approved from the Department of Transportation (DOT). A bicycle helmet does not qualify.

Every occupant riding in a UTV must be seated with a seatbelt fastened in a manner prescribed by the manufacturer. No passenger can ride in or on any part of a UTV that is not designed or intended to be used by passengers. You cannot ride in the back storage box areas, sitting on someone's lap or on the roof.

Front headlights and rear taillights must be turned on, day or night, while riding on road routes. The more visible you are to other vehicles, the safer everyone is.

All ATV's and UTV's must have a plate that has a white background and black text.

No trail passes are required for in-state registrants. Wisconsin does have a non-resident trail pass (5 day or annual) with a single sticker requirement. The non-resident passes do not require rear facing plates.

Wisconsin has an exhaust sound level requirement (96 dB or less) designed to keep our trails and road routes quiet. Excessive sound levels annoy and curtail access, do your part.

Observe and follow all speed limits, as posted or provided in a municipal ordinance.
