- County to re-do East loop late Oct and will probably close that section for the remainder of the year
- Craig Metz coming out Thursday with tractor and back blade to grade the trail between the 2 Camp 6 gates as a trial run. Will not be charging the club for his time and equipment
- Map boxes need to be picked up from the establishments by Nov 1st and brought to John's house

## OLD BUSINESS:

### Club By-Law Revisions

Motion was made to accept the By-Law revisions, all attending members voted by raise of hands, and vote was passed.

### Map Committee

Great job to all in getting map sponsors. We did receive enough map sponsors to pay for printing and we have additional sponsors to keep filling up the map. We have 48 total spots, so it may be a first come first serve situation with the additional sponsors as deadline is November 1st. A prototype of the map was brought to the meeting if anyone wanted to review it. Approval process of the prototype map will need to be approved by the attending members, depending on when the publisher is needing the final prototype.

### Nominations

President and Treasurer nominations are needed for the November 14th meeting.

### Trail Rides 2024

Reg V handed out a survey for a 2024 club overnight ride. Trying to get it kicked off with some planning.

Paul took the Oneida County Council President on our trails last month and the Lakeland Club is planning a MN trip for 2024. They will have their club ride schedule completed by January 1st, 2024.

Meeting was adjourned at 6:50pm
