Pelican River Forest Recreation Easement

Several of our fellow Oneida County ATV/UTV clubs and the Oneida County ATV/UTV Council have signed a letter supporting the Pelican River Forest Recreation Easement. At the May 9th meeting, we will be discussing this project and voting whether to sign this letter of support as a club.

What is the Pelican River Forest Project? Please read about it at this link: www.PelicanRiver.Org (<http://www.PelicanRiver.Org>). Individuals can also sign the letter of support at: <https://pelicanriver.org/sign-on-letter/>.

Voting was held to reinstate Paul Hagen as President, by a majority vote, Paul Hagen will continue his presidency.

Maps Committee

Proposed schematic of the map will be 2x4 business ads, location to be identified on back of map. Sponsors will also receive a sponsorship decal to display at their business. This Fall the club will start talking with businesses for the 2024 maps.

Opening Kemp Street from west side of bridge to the west entrance of Quality inn. We have written support from the businesses and Chamber of Commerce, the City Council has approved to open this section and the county board will need to vote.

H2H Bar has asked that the right of way on Hwy 47 to Larsen Drive to be open, we will need to contact the State. Oneida County or Town of New Bold will need to be petitioned to get that section opened.

Trail Report:

County working on East loop

Shingle Mill and Camp 6 Roads intersection, we will have work done on that portion of the trail, rain diversion on hill and recycled blacktop
