

## **MAY MEETING MINUTES**

Meeting was held on Tues, May 9th at 6pm. Minutes and Treasurers report were read and accepted by those present.

### **President Report:**

Paul spoke about the Pelican River Forest Recreation Easement. The Governor of the State of WI and the DNR will have the final word, however the majority of the people at the meetings will more than likely approve of this project. They are looking for clubs to send in their logo to show support. Motion was made that we send in our club logo in support of the Pelican River Project. Majority vote passed and Diane DeGrand will submit our logo.

### **Pelican Lake to County C**

Is on May agenda proposing for the hwy committee to move the sign that states 'ATV/UTV traffic stops' to be closer to hwy 45, in the Town of Peel.

### **Membership Associate dues**

Discussed Lifetime Associate membership at \$500 for lifetime. Further discussion is needed.

### **Club By-Laws**

We will need to form a committee to discuss changes that are needed.

### **Trail Report:**

Trail work was conducted Saturday May 6th with tree removals, and little washout if any. Trail inspection to be Thursday, May 11th. No brushing can happen before July 15th. Cinder and East loop, signs were taken down by loggers so they will need to be put back up.

### **Friday May 19, 2023 – Enterprise Campground and Trail System Opening Day**

Mussons to work on area around the campground by end of June. Motion was made to spend \$6,000 for this work to be paid by end of June. Majority vote passed with Paul Hagen covering up to \$3,000 for the club if needed, in expenses before we are reimbursed for trail work from the State of WI.

**Trail Coordinator mentors**– looking for recruits as John is retiring at the end of 2023. Concerns arose if no one comes forward in taking on this position.

**Spam emails**– Some members are getting spam emails from Amy Ciaccio. Amy will look into getting these stopped.

### **Kemp Street Opening**

Oneida County committee made recommendation to County Board and will be on docket for the next meeting.

Right of way on 42nd to H2H, the Chairman at Town of New Bold will petition the State to have that opened.
