President's Report

Since the election last December, Paul has turned the reins of the club over to me and Diane has passed the club checkbook to Sue. We both continue to learn more about our club and more about the job we volunteered to do. Try not to worry! We have less than 20 days until our first meeting and about 60 days until the trails are officially open. Soon we will be blowing out dust in our clutch case and filters (and most likely our noses). Some of you may have already been out riding your ATV or UTV during the snowmobile season that never was. Our season is coming. Here is a little club news I can report for you.

Based on negative feedback from our members, we have abandoned the idea of moving our monthly meeting location to the Oneida County Sherriff's Office. We would still like to find an alternative venue that offers more space and is quieter for us to have a meeting. We would like the membership to consider meeting in the lower level of The Fireside Supper Club. We can arrange tables and chairs to our liking in a private setting Refreshments are available for purchase upstairs. And you can legally ride your ATV or UTV there. There is zero cost to us and they are a map sponsor. We will discuss this further during our meeting on April 9th at Nick's Bowling Lanes.

Our map committee has recently received the first draft of our new map, and they are in the process of reviewing it for content and accuracy. Soon, the new maps will be available for purchase at many of our local establishments. Forty-seven (47) supporting sponsors have purchased space to advertise their business on the back. Kudos to the map committee for their considerable effort and a "job very well done".

A change to the club bylaws approved last October defined seasonal memberships starting on January 1st and expiring on December 31st. Therefore, our club roster has technically reset to zero, except for our lifetime members. Please consider renewing your club memberships soon so we can identify as a club that actually has members!

When you see her, please thank Karen Videgar who has volunteered to manage our memberships this season. She has experience as a membership director with a larger snowmobile club. She will give a brief report at each meeting regarding our roster of members. Make sure she has you on her list!

We have given Amy Ciaccio another hat to wear in addition to her Secretary and Newsletter fedoras. Amy has volunteered to assume Webmaster duties for us and will keep our website in order. Next time you see Amy – tell her thank you. She will gladly accept help if you have web experience.

Archie Dartsch has volunteered this season to manage the merchandise our club has for sale, previously managed by John Knudsen. If you are interested in purchasing clothing or other club offerings, visit our website page or see Archie. Next time you see Archie – thank him for managing our merchandise sales. He does this in addition to maintaining order as Seargent-at-arms during our meetings.

The Wisconsin ATV Association (WATVA) 2024 Annual Meeting & Convention is April 12-14 at the Holiday Inn Convention Center in Stevens Point. Please refer to the WATVA website for more information, including registration. This is a great opportunity to join other ATV/UTV enthusiasts to discuss the future of our sport. I am going and would like some company. Please consider attending and help me promote the Hodag 4-Wheelers ATV/UTV Club.

We all have fun as members of our club, participating in rides and events. It's even more fun behind the scenes, helping to develop and organize those rides and events we all enjoy. We invite you to experience the joy of comradery in helping us with club business and activities. Please contact us and ask how you can help.

Also let us know what's on your mind specifically about your Hodag 4-Wheelers ATV-UTV Club.
