No person shall deface, destroy, or remove any all terrain vehicle sign posted on any approved all terrain vehicle trail.

No person shall operate an all terrain vehicle at a rate of speed that is unreasonable or improper under the circumstances, in any careless way so as to endanger the person or property of another.

No person shall operate an all terrain vehicle which has mechanically or otherwise altered from the manufacturers specifications so as to generate additional speed, traction, or noise.

All terrain vehicles (ATVs), off-road motorcycle, mini-bikes, go carts, and other non-street legal vehicles may not be operated on the County Forest road system, except that ATVs may travel on that segment of the Camp Six Road from a point 0.6 mile north of the intersection of the Camp Six Road and the Wickham Road to a point on the Camp Six Road 0.2 mile south of the intersection of the Camp Six Road and the Wickham Road, and the entire length of Rozell Road, a distance of 5.50 miles, between Kelly Fire Lane and McCord Road. The aforementioned segments of the County Forest road system shall be signed with ATV route signs to indicate the road is legal for ATV operation (Am. # 22-2003; # 63-2003).

All terrain vehicles are authorized for use on existing woodland trails that have not been designated as closed to motorized use by the placement of a gate, sign, earthen berm or other similar blockade across said trail. Any attempt to circumvent a gate, sign, earthen, or other similar blockade with an ATV is prohibited. All terrain vehicles are prohibited from traveling off-road, off-trail, or cross-country in the County Forest and must remain on roads or woodland trails designated as open for ATV vehicle use.
