- Trail Maintenance – *Scott*

**Discussion:** We purchased a trailer for the tractor with a spare with some of the proceeds from selling the dump trailer. A lot less time is used to take the trailer to Bowman from Zimmer Road. This was a good option for us. Scott needs help with “safety” people when trail work is being done, two machines, one at the start and one at the end. People that have been doing the trail inspections have been doing a good job. Still looking at purchasing a sickle cutter for the tractor.

We are looking into putting up a 24” x 36” sign with one post on Hwy. 17 approximately 50 feet before Bowman Road on each side of the road that shows the trail head parking. Cost is \$250 per post plus the cost of the sign.
