President's Report

All trail systems in Oneida County and our neighboring counties are now closed (as of December 1st). It was a great season. We now hope that ample snow will fall so the snowmobilers will have an equally good season and continue to bring sport lovers to our area. Regardless the amount of snow that falls, we look forward to continue gathering at a few of our sponsors for breakfast or lunch. Watch for notifications and plan on joining us.

Election of officers will be the highlight for our December meeting. We will also quickly review the past season and touch on all things we done right and where changes should be considered. This is to shape our next season so plans can start developing. April 14th, our first meeting of 2026, is not far away. To create the best plans, we invite all our members to contribute and share their opinions.

Our main aspirations as a club is to hop in or on our machines and go riding, right? We want your ideas, suggestions, recommendations for fun destinations. I will organize the initial meeting for a group of volunteers to collaborate together developing ride plans for next season. If you are unable to attend the December meeting to sign up, please call, send text or email to me to participate. Contact info is on page 1. The first meeting will be in January.

I hope to see you at our December club meeting. As always, please consider patronizing the Fireside by grabbing a refreshment at the bar before we start the meeting or afterwards. They are a great sponsor providing us a fantastic meeting venue.

I wish everyone a safe, healthy, and a bountiful, love-filled holiday season.

Reg

Here is Another Tool for ATV-UTV Enthusiasts

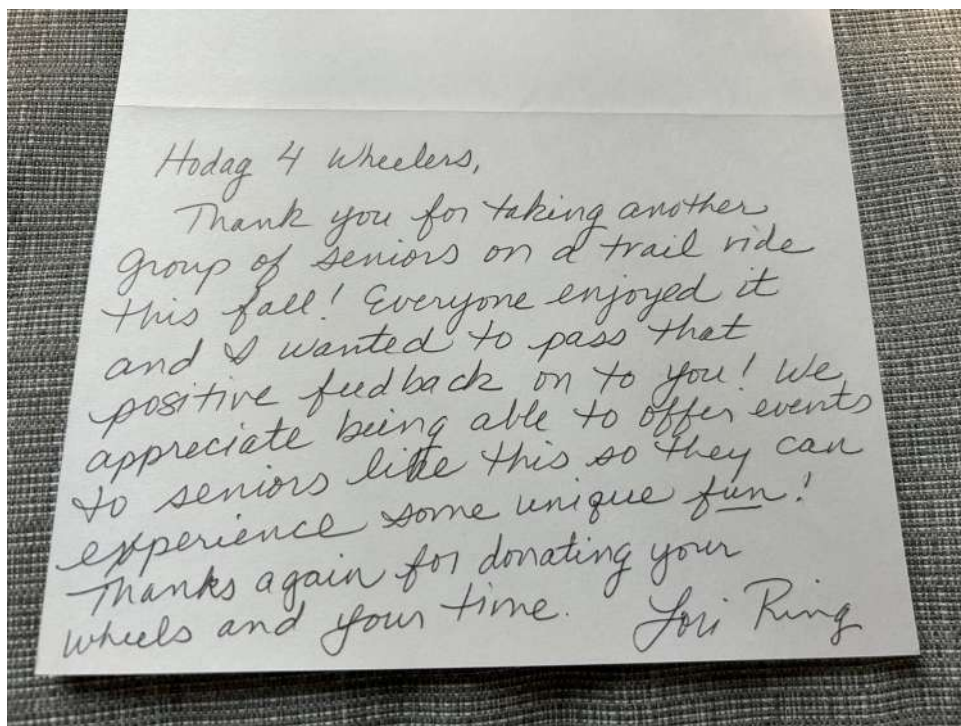

This is a camera app for your phone that will stamp on the photo your GPS location, your bearing direction, elevation, along with the date and time. If you are out on the trails and discover something interesting, or suspicious, you can take a photo and it will record the exact location and direction that you snapped the photo. This is very helpful if you have to leave your broken UTV behind in order to find it later. Or if you come up onto an emergency situation, you would have the necessary location recorded if you had to go find help. It's available from the App stores for a one-time charge of 99-cents. Go to www.solocator.com for more information.

Kindness for the Community

Thank you to all of our members who have donated for this charitable cause. The above 22 toys and 21 blankets were donated by our generous members. If you have not yet donated but would like to, you may still drop off your donation at the Christmas Party or at the December meeting.

We were recently sent this Thank You card from Aging and Disability Resource Center (ADRC) for providing seniors with a fall ride.

3rd Wednesday Ride—November 19, 2025

Seven machines carrying ten people started at Bowman Rd. just before 10 am. The temperature was about 28 degrees when we first started; about 48 degrees when we got back. We took the Enterprise Trail to Harrison Hills trail to Trina's Restaurant in Elcho. We had a good meal accompanied by great service. Thank you to the staff of Trina's Restaurant for your hospitality! We took the Parrish Highlands ATV trail in Langlade County. We went past Fishers in Gleason back to Harrison Hills trail. We got back to the parking lot at about 3:30 pm after driving about 54 miles. It was a good ride!

3rd Wednesday Ride—November 19, 2025
