From the President

Hello members.

Our trails opened May 1st. Relatively speaking, Mother Nature was kind to us this spring. A four-man crew on one day was able to complete all the work necessary for the opening. Logging operations off the East Loop will resume after July 15th when the seasonal Oak Wilt prevention pause expires. Signs have been installed in areas where ATV's and UTV's are not allowed in the logging area for safety concerns. Please stay on the marked trail, especially in locations where the logging operations are.

Scott and his crew will be out regularly during the season performing surface grading operations. Safety cones and safety patrol volunteers will alert you where we are working. Oneida County will also be working extensively on the entire length of Shingle Mill Road, replacing culverts and freshening the road surface. Please have patience when engaging areas where trail and road work is in process and allow safe space for workers.

Thank you to Scott, John, Roylene, Brad, Christi, Lori and Dave for representing our club at the Let's Ride Expo. We collaborated with our neighboring clubs this year to advertise to all Wisconsin riders about the great trail system we have here and of the opportunities the Rhinelander and neighboring area provides. We hope our business sponsors will recognize results of our efforts this season.

Thank you to everyone who helped us on Pizza Ranch Community Impact Night.

We have more events coming soon where we need help. Please sign up and give us a little of your time where you can. We receive many comments of appreciation for our club and what we do from riders and from our community businesses.

Our next meeting is May 12th. As always, please consider patronizing The Fireside by grabbing a refreshment at the bar before we start the meeting or by joining some of your fellow members at the bar afterwards.

Reg

Cash Raffle

2026 cash raffle tickets are available for sale. Ticket cost and payouts are the same as last year. Winners will be drawn during our Poker Run in October. We will appreciate help again from all of our members to sell these. Contact Reg for tickets to buy or sell.

Volunteers Needed

Newbold Fire Department & Law Enforcement K9 Training

Their recertification process is scheduled for June 5th, 6th and 7th at the Hannah Venture Base in Rhinelander. They usually request 1 or 2 UTV's to help transport dogs and trainers. We will provide rides as needed for tracklayers, canine and handler teams and certification officials. The tracklayers and the K9 teams demonstrate their version of the game "hide and go seek". The K9 team track down their hider strictly by the scent of the tracklayer as he or she walked to their hiding spot approximately one mile away in the woods. These are truly incredible teams of dogs and handlers who volunteer their time for training and service. When you see or hear reports of missing individuals in our area, it is very likely that these teams will be dispatched to search and rescue them. Please let us know if you will volunteer time to help.

Grants

We have been fortunate to receive financial support from the Rhinelander Tourism & Marketing Committee and from the Rhinelander Community Foundation again this season. We appreciate their generosity and recognition of our contributions to our community.

Thank you Scott, for accepting the RCF grant at the awards banquet on behalf of our club. And thank you, Rhinelander.

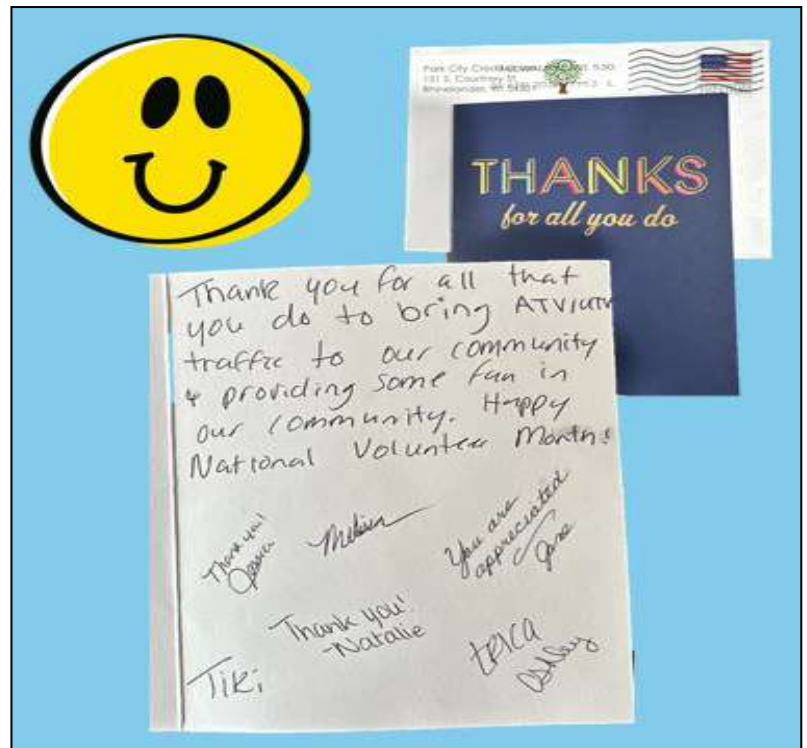

We also received a nice donation from Kwik Trip in the form of a prepaid gas card that will keep our tractor running for much of this season. Thank you, Kwik Trip.

Correspondence

We have been receiving some “feel good” mail. Here is some proof that our community appreciates the efforts of our volunteers.

Thank you volunteers!

Overnight Ride - Our overnight ride this year explores the Keweenaw Peninsula in the Michigan UP. We will bed down in Calumet (approx. 20 minutes north of Houghton/Hancock) and plan to travel up to the tip of the peninsula north of Copper Harbor.

As of 2/3/26, a total of (19) rooms are reserved for members or guests of our club at the Trailside Lodge, 57900 US Highway 41, Calumet, MI 49913. Everyone must call the Lodge (906-337-9905) and make their own reservations. Reference that you are a member of the Hodag 4-Wheelers ATV-UTV Club to claim one of the rooms. They have single kings, single queens, and double queen size rooms in our block. Most of us will be checking in on Friday, September 11th and checking out on the morning of September 13th.

Rooms are \$189 total (including tax) per night. A \$10 discount will be applied if you were in the military. There will be an added 4% convenience fee for all credit card payments. NOTE: If you pay with a debit card, the 4% convenience fee will be avoided.

Cancellation Policy: The Trailside Lodge will accept cancellations up to 48 hours prior to check in time (3pm) on the date of the reservation. If cancellations are made within 48 hours of arrival date, you will be responsible for the cost of the reservation.

The lodge has ample parking for our trailer rigs. The Lodge does not have a continental breakfast, but dining options are close by. The ride details will be determined in the future.

A Michigan ORV license (\$26.25) is required on eligible county roads, state forest roads in the Upper Peninsula and eligible national forest roads. This license is required to operate anywhere off of private lands. In addition to the ORV license, an ORV trail permit (an additional \$10, for a total of \$36.25) is required when operating on designated and signed ORV trails and routes. The ORV license and the ORV trail permit are both valid for one year, which begins April 1 and ends March 31 of the following year. ORV licenses and trail permits can be purchased online through (<https://www.mdnr-elicence.com>) (your sticker will be mailed to you within 10 to 15 days). Some gas stations (Krist) and some powersport dealers near the Wisconsin/Michigan border may have them also.

A pre-ride is planned for this event June 2-4. Please contact Brad Dorn regarding questions about either of these events.

Trek the Mighty Mac

September 25-26, 2026, Trek the Mighty Mac will once again feature the unforgettable Mackinac Bridge Crossing—along with all the activities riders know and love. Off-road enthusiasts are invited to join the 12th Annual Trek the Mighty Mac, open to SXS, 3-wheelers, 4-wheelers, and dirt bikes only. Each year, Trekkers gather in St. Ignace to enjoy food and gear vendors, a one-of-a-kind Saturday parade across the Mackinac Bridge, and an afternoon of off-roading adventures. You are invited to be part of the tradition!

Registration fee is \$30 per driver and \$25 per adult passenger (children 10 and under are free). Your registration includes bridge fare, staging, bus transportation, drink voucher, meet-n-greet activities and a Trek the Mighty Mac decal. There will be food trucks, or you can visit a St. Ignace restaurant for lunch. You will stage your machine at a designated location in Mackinaw City and cross the bridge to your St. Ignace motel or campground (we're hoping you stay in St. Ignace!). On Saturday morning we will pick you up by bus and transport you to the staging area. You will then ride your machine over the Mackinac Bridge and ride to the Little Bear Arena. After the ride, you can grab lunch or hit the trails.

For more information and to register for the event, go to website <https://stignace.com/event/trek-the-mighty-mac/>. You must register for this event online.

We received the following email from Janet Prest, from Timber Bay Lodge and Houseboats, in Babbitt, Minnesota, after meeting her at the Let's Ride Expo. The attached flyer is on next page. Please read the following information and take them up on their offer, if interested!

"Hey!

We had an absolute blast at the WATV Let's Ride Expo over the weekend.

Whether we had the chance to meet there or not yet, I wanted to connect. We can all agree finding a spot with easy trailering, robust amenities, and comfortable beds is basically a unicorn. It made me realize how lucky we are at Timber Bay. We offer direct "ride on/ride off" access to the 250-mile Prospector's Loop, huge trailer parking, on-site gas and supplies, plus a partnership with Lossings Power Sports. You can check out all our rider logistics at timberbay.com/trails.

We'd love to host your next club ride! To keep the momentum from the show going, please share this code with your members: **ATVTBLH** gets your club 10% off any 2026 booking made before the end of June. Additionally, we offer 30% off any midweek reservations for the crews that prefer to explore the trails Monday-Thursday and avoid any weekend crowds.

You can stay in touch at timberbay.com/contact, but I'd love to talk directly if you want to give me a ring at [218-865-9714](tel:218-865-9714) to sketch out some group plans or ask any questions.

Talk soon!
Janet"

The "Key-On" Advantage

Our "Accessible Isolation" gives you a rare combination of deep-wilderness immersion and direct trail connectivity.

Take off from your cabin door to the Stony Spur and the 250-mile Prospectors Loop then straight back to your cabin or houseboat for a relaxing recovery.

Explore from the center-point for the Taconite State Trail and the Prospector Loop, linking Babbitt, Ely, Tower, and Embarrass into one seamless adventure.

Drive-Through Trailer Parking (24 acres) specifically designed for large rigs and club groups—no reversing required.

Ride the Seasons

Dust Season (July-August)

Execute the *Ride to Swim* tactic: Hammer the trails early, then retreat to Timber Bay's private beach. Kill the engine, grab a beer, cool off.

Color Season (September-October)

The bugs are dead and the dust is down. Execute the 100-mile *Trestle Run* through a fiery canopy. The ultimate autumn trophy ride.

Snow Season (December-March)

When lakes freeze, the game changes. Carve untouched powder across Birch Lake with wide open throttle, then return to a roaring fireplace.

Spring Season (May-June)

Early season demands sharp reflexes and precision handling. Pick the smartest lines, navigate unpredictable hardpack, and respect the woods to keep trails pristine.

An Exclusive Base on the Iron Range

Make your cabin door the starting line. Find yourself at the center of Northern Minnesota's most exciting trails: the **Prospector Loop**, the **Stony Spur**, and the **Taconite State Trail**. These interconnected systems provide over 250 miles of world-class access through the **Superior National Forest**, linking the historic communities of Babbitt, Ely, Tower, and Embarrass into a single adventure network.

Your Mission

Whether you're explorer looking to crank miles, a family making memories for a lifetime, or a couple getting away from it all... You've found your starting line.

Motorheads—Hybrid Expedition

Access the high-fidelity technical challenges you want with the local intelligence and mechanical redundancy you expect.

Explorers—Discovery Route

Rebrand "Meal Circuit" to "The Industrial Spine." A 70-mile journey to the Soudan Underground Mine and the Pioneer Mine Shaft House.

Families—Easy Adventures

Focus on the Picnic Run to the Kawishiwi River. Feature "Kid-Friendly Pit Stops" like Red Cabin Custard or pizza at the Boat House Brewpub in Ely.

Couples—Sanctuary Circuits

Pivot from generic "Hygge" to the "Sunset & Spirits" Route. A scenic ride into Ely for dinner at The Boathouse Brew Pub for burgers followed by a stop at Northern Grounds for wine/spirits.

Stay Your Way

- 3 Private Lodges (Sleeping from 12 - 20)
- 12 Secluded Cabins (Sleeping from 2 - 8)
- 10 Vintage Houseboats (Sleeping 2-12)
- Pet-Friendly—Because a true adventure includes the whole family!
